6.4	The Council was asked to raise the matter of the Bus using Kilsby Road, which is too narrow for a bus and a car to pass at some points, with the Bus Company once again. The merits for and against having the bus re-routed along Ware Road were discussed. It was considered safer for School children to wait on The Green for the school bus, rather than on Daventry or Ware Road. NCC and the Bus Service to be asked to assess the suitability of the route.						
6.5	It was noted that the LED street lamp outside No 50 Kilsby Road has been damaged by a vehicle as it is obscured by the tree. A letter to be sent to the householder asking if she could arrange to have the tree trimmed back. This tree does not have a TPO.

7.2	To consider a request to place more flower planters around the village of Barby esp at entrances. The scheme in Kilsby was discussed where the Gardening Club had obtained a grant to purchase planters which were planted and maintained by different village organisations.
