Parish Council News (Parish Clerk 01788 891184)

Parish Council Meetings – The next meeting of Barby & Onley Parish Council will take place on **MONDAY 14th MARCH 2022 at 7.30pm** in **Barby Village Hall**, Kilsby Road, Barby CV23 8TT

Members of the parish are welcome to attend the parish council meeting, and the first 20 minutes of the meeting will be open for public participation. If you have a concern which you would like to make the parish councillors aware of, then come along and let them know about it. It may not be possible to provide an answer immediately, but the matter can be put on the agenda for the following meeting. We have a new Parish Councillor, Rachael Kilby, who was co-opted onto the parish council at the February meeting.

Queens Platinum Jubilee - A number of people have come forward saying that they are prepared to help organise a village event over the Queens Platinum Jubilee weekend (2nd to 4th June). To actually try to get something organised, we will be holding a meeting in Barby Village Hall on TUESDAY 1st MARCH at 8pm. If you can't come, but you are part of a village organisation which is already doing something for the Platinum Jubilee, please can you let the parish clerk know, so that we can produce a village timetable of events for the weekend and try not to clash with times. I hope that lots of people will welcome the chance to have a village get together and will help to make it happen.

Litter Picking - The Great British Spring Clean will be held throughout the country from 25th March to 10th April. The parish council would like some volunteers to help carry out a village litter pick. Bags, hi-vis vests, gloves and litter pickers will be provided. If you own a business can you please clear outside your location (e.g. Barby Nursery, Chapel Farm for Daventry Road and Cadman shooting and Manor Works for Barby Lane)

Saturday 5th March – clearance of the lanes leading into the village. Meet at Barby Village Hall at 10.00am.

Saturday 2nd April - clearance of the centre of the village. Meet at Barby Village Hall at 10.00am.

Parking at Onley Village Hall - Please can anyone attending an event in Onley Village Hall be mindful of the fact that the hammerhead at the end of the road is required for people to turn their cars around - it is not a car park. Please do not block the hammerhead or park outside someone's house. Thank you.

Onley Residents -: It is lovely to see houses being developed and building/garden work being completed, however a reminder that the street drainage system is not the most efficient. Please could the contractors be asked not to put waste into the street drains, especially not plaster or cement waste as it can create blockages.

Street Lights – As the nights are still quite short, please let the clerk know if any of the street lights stop working so that we can arrange repair. Tel 01788 891184 or email clerk@barbyandonleyparishcouncil.co.uk Please let Dawn Cotton know if any of Onley's lights stop working. dawn.cotton@bopc.org.uk

Overhanging branches - If you have shrubs or trees in your garden that overhang the pavement, please check that people can still walk past them without getting wet or dripped on. Can they get a baby buggy past? The parish council received an anonymous letter saying that overgrown hedging makes use of the pavements difficult, so please can everyone check their shrubs and trees especially after the storms we have just had. Thank you.

Highway issues - If you come across a pothole, or other issue on the public highway, or a footpath or pavement, please log the problem with "Fix My Street" <https://fixmystreet.northamptonshire.gov.uk/> This system provides a reference number so that you can check on the progress made to rectify the problem, and it also means that all problem areas are logged.

At the last parish council meeting, a group of residents raised issues that are of concern to most people in the parish, namely:-

- a) **Footpaths and Street lighting** - they pointed out that the state of the footpaths is very poor and there is risk of personal injury particularly at night and that some parts of Barby are very dark.

The responsibility for footpaths lies with Northamptonshire Highways, as although the parish council repeatedly campaign to get them improved, we are told that they do not reach the criteria that means they are "dangerous". The Highways department are not able to prioritise their very limited budget to carry out repairs. Please continue to report problem areas via "Fix My Street" so that they are aware of our concerns.

The street lighting is something that the parish council can improve, so if we are given specific details of particularly dark areas, we can cost out installation of additional street lighting. We have heard a lot about rising costs of energy, so we have recently signed a 36-month contract to try and secure a reasonable deal for unmetered electricity supply to the street lights. The costs will be much higher than our current contract, but hopefully not as high as they would have been.

- b) **Main Access Roads** to the village were highlighted as in a poor state. Once again this is the responsibility of Northamptonshire Highways, so all potholes and sunken areas of road need to be continually logged onto "FixMyStreet". As a parish council we keep asking for highway inspections and do not allow Northamptonshire Highways to forget us, but again they have insufficient budget to do anything more than patch roads.
- c) The Parish Council was asked about the current status of the proposed **Gun Club development**. The Parish Council has responded to the planning application and highlighted the views of parishioners that 6 days of gunfire would be unacceptable. We now await a date for the West Northants Daventry Planning Committee meeting where the application will be decided.
- d) Concern was raised that "The Arnold Arms" pub is still closed. The parish council has listed the Arnold Arms as an Asset of Community Value, which puts a legal charge against it should the owners (Red Oak Taverns) decide to sell it. The legal charge gives the community 6 months

to raise funds to purchase the pub as a community asset. We understand that at the moment the owners have no intention of selling and are actively seeking a new tenant.

- e) Concern was raised about the crossroads at the top of the village between **Longdown Lane and the Ridgeway**. There have been a number of recent accidents at the junction. In a bid to try and make it safer the parish council will be requesting a visit from Northamptonshire Highways to ask them to look at better signage and white-lining and to discuss any other ways that the junction can be made safer. In the meantime, please take particular care.

The parish council were also asked if there is a current “Vision” for Barby. This is set out in the **Neighbourhood Development Plan**, which can be found on the website.

Speedwatch - Another issue that is often raised is the speed of vehicles travelling through the village. We have managed to get the police speed van to visit the village at regular intervals and we also take part in Speedwatch. This is an initiative where the police loan a speed gun to the community for a month. Anyone caught speeding on the speed gun manned by volunteers will be sent a warning letter. Barby will have use of the speed gun from SATURDAY 5TH MARCH until SATURDAY 2ND APRIL 2022 and we still need more volunteers. If you can give a couple of hours of your time during this period then please get in touch with Councillor Nigel Gove Tel 01788 891118 or email him at nigel.gove@bopc.org.uk. Online training on how to use the gun takes 19 minutes to complete, and teams of 3 volunteers are required to carry out speed checks during daylight hours. We are restricted on where we can actually use the gun as the siting has to be approved by the police to ensure that users are able to carry out speed tests safely.

New Notice Board - that a new parish notice board will be erected on Barby Green opposite Barby Village Stores very soon
