### Barby & Onley Parish Council Neighbourhood Plan Review

## NOTICE OF PRE-SUBMISSION CONSULTATION

Comments are invited on the Draft Neighbourhood Plan Review for  
Barby and Onley Parish between  
1st June and 13th July 2024

A copy of the draft plan along with details of how to make comments  
can be found online at

## Parish Council News (Parish Clerk 07864 579068)

The Parish Council continues to meet on the second Monday of each month except when it falls on a bank holiday. The next meeting will take place on Monday 8<sup>th</sup> July at 7.30pm at Barby Village Hall. Members of the parish are welcome to join the meeting and raise any issues they wish during the period of public participation at the beginning of the meeting. Agendas and minutes are published on the parish notice boards and on the website <https://www.barbyandonleyparishcouncil.co.uk/>

You can contact the Parish Council Clerk, Katrina Jones, at [clerk@barbyandonleyparishcouncil.co.uk](mailto:clerk@barbyandonleyparishcouncil.co.uk) or by telephone on 07864 579068.

**No Mow May** The Parish Council received a mix of feedback following its participation in the No Mow May initiative for the first time. The Parish Council will consider all feedback before making a decision as to whether to participate again next year.

**Overgrown Vegetation** At this time of year the Parish Council commonly receives an increase in complaints about overgrown vegetation impinging on the roads or footpaths. Hedges and other vegetation are the responsibility of the landowner and the Parish Council would kindly ask all residents in the Parish to check for any overgrowing vegetation that might be impinging on footpaths or roads and take measures to cut these back. If you think a hedge or tree is the responsibility of West Northamptonshire Council then this can be reported directly to them on the reporting website 'Fix My Street': <https://www.fixmystreet.com/>

**Discounted food liners to boost food waste recycling** Discounted food caddy liners are available from libraries across West Northamptonshire as part of a drive to encourage food waste recycling; buy a roll of 30 bags for £1. Food waste from West Northamptonshire is currently taken to an anaerobic digester facility at either Cassington in Oxfordshire or Coleshill near Birmingham. The food is then broken down by bacteria, as it would be in our stomachs - producing fertiliser and methane gas which is burned to generate electricity. Any bags are removed as part of this recycling process, so people can use any old plastic bag to line their caddy, so long as its not black. Newspaper can also be used as a liner.

**Online Newsletter** The Barby and Onley newsletter is available to residents online on our website <https://www.barbyandonleyparishcouncil.co.uk/> in addition to the hardcopies that residents receive delivered directly to their homes. The Parish Council will also be emailing copies of the newsletter to anyone who wishes to sign up to receive a copy by email using the online form which will be available on the website.
